MEMORANDUM FOR: Director of Security
FROM: [REDACTED]
Deputy Director of Security
SUBJECT: APEX Nondisclosure Agreements

STAT

1. Reference is made to the attached note which suggests that Security Records Division (SRD) has been given the responsibility of filing and recovering over 200,000 APEX agreements.

2. I would submit that we are making commitments we cannot fulfill and there should be some review of this entire program. It is not just a question of space, because we do not have files on these individuals, and the names would have to be indexed in order to recover the documents. SRD is already swamped, there is insufficient resources and there is a desperate effort to get trim enough for the new building.

3. I have mentioned my concern to [REDACTED] and we would like to have the opportunity to discuss this with you and Charlie.
